

KING CONSERVATION DISTRICT FUNDING INVESTED IN THE CITY OF DES MOINES

GRANT AWARDS—King Conservation District awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. District funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and are often matched with funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact Jessica Saavedra at 425-282-1906 or e-mail Jessica.Saavedra@kingcd.org. Visit our website at www.kingcd.org and find us on Facebook.

SERVICES—In addition to the conservation services and cost share awards listed below, the District also provides services to cities and residents in the areas of shoreline restoration, urban agriculture and urban forestry. Future publication of this document will include more information about these services.
