

## KING CONSERVATION DISTRICT FUNDING INVESTED IN THE CITY OF CLYDE HILL

**GRANT AWARDS** KCD awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. KCD funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and often leverage funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact Jessica Saavedra at 425-282-1906 or e-mail [Jessica.Saavedra@kingcd.org](mailto:Jessica.Saavedra@kingcd.org).

**SERVICES** In addition to the conservation services and cost share awards listed below, KCD also provides services to cities and residents in shoreline restoration, community agriculture and urban forestry.
