

KING CONSERVATION DISTRICT FUNDING INVESTED IN THE CITY OF SEATAC

GRANT AWARDS KCD awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. KCD funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and often leverage funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact Jessica Saavedra at 425-282-1906 or e-mail Jessica.Saavedra@kingcd.org.

SERVICES In addition to the conservation services and cost share awards listed below, KCD also provides services to cities and residents in shoreline restoration, community agriculture and urban forestry.

Regional Food System Grants

This KCD program seeks to fund projects that contribute to the economic viability of local farms, encourage new farmers to expand acreage in food production, improve food access and increase demand for King County farm products. For more information visit our website or contact Mary Embleton at 425-282-1958 or Mary.Embleton@kingcd.org.

Year	Organization	Project	Funds Awarded

Landowner Incentive Program (LIP) Cost-Share Awards

KCD supports conservation practices on private property by providing financial support to land managers who purchase and install mechanisms that promote conservation. Expenses associated with pre-approved conservation practices are matched with LIP cost-share funding at a ratio of 50 to 90 percent of the total cost of projects. For more information visit our website or contact Alex Martinsons at 425-282-1951 or Alex.Martinsons@kingcd.org.

Conservation Services

KCD provides services to land managers, cities and other organizations. Examples of KCD-contracted services includes project management and design, engineering, native bare root plants, fresh water and marine riparian and wetland habitat projects. For more information visit our website or contact Brandy Reed at 425-282-1924 or Brandy.Reed@kingcd.org.

Year	Project	Total Costs
