

Funding Invested in the City of Renton

GRANT AWARDS KCD awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. KCD funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and often leverage funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact Jessica.Saavedra@kingcd.org or call 425-773-9065.

SERVICES In addition to conservation services and cost share awards listed, KCD also provides services to cities and residents in shoreline restoration, community agriculture and urban forestry. www.kingcd.org

	Seattle Good Business Network/FORKS	Building Local Food Connections: Conference, Events, Communications	\$100,000

Landowner Incentive Program

Cost-Share Awards for Projects on Private Property

KCD offers financial support to land managers who install projects that promote pre-approved conservation practices. Expenses are matched with LIP cost-share funding at a ratio of 50 to 90 percent of the total cost for specific projects. For more information visit kingcd.org or contact Laura.Redmond@kingcd.org or call 425-282-1951.

Land managers in unincorporated Renton implemented recommended best management practices such as: animal trails and walkways, cross and buffer fencing, cover crops, heavy use area protection, hedgerow planting, roof runoff structure, subsurface drain, waste storage facility and wetland enhancement.

Year	Number of Cooperators	Funds Awarded
2015	4	\$8,229
2016	4	\$16,183
2017	2	\$19,696
2018	5	\$38,899
2019	1	\$19,819

Conservation Crew Services

Available to Member Jurisdictions

Does your city need stewardship assistance for its natural areas? Do those cleared areas need to be planted with native plants? Services provided include: removal of invasive species (knotweed, ivy, holly, laurel, blackberry and more), brush-mowing, herbicide application, and survival rings. Landscaping with native plants includes: creation of city-approved planting plans, installation, Maintenance, and irrigation. Contact KCD to see how our crew can help. Contact Brett.Anderson@kingcd.org or call 425-282-1953/425-773-8037.

Year	Project	Total Costs
2014	Stream Buffer/Hedgerow Installation on Private Property	\$2,206
