

## Funding Invested in the Town of Yarrow Point

**GRANT AWARDS** KCD awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. KCD funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and often leverage funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact [Jessica.Saavedra@kingcd.org](mailto:Jessica.Saavedra@kingcd.org) or call 425-773-9065.

**SERVICES** In addition to conservation services and cost share awards listed, KCD also provides services to cities and residents in shoreline restoration, community agriculture and urban forestry. [www.kingcd.org](http://www.kingcd.org)

## KCD–Yarrow Point Member Jurisdiction Grants Awarded

In 2012, the District awarded a joint grant to the Towns of Hunts and Yarrow Point for \$13,656. \$9,357 of the grant award is funded with assessments from the Town of Yarrow Point. The grant helped the two communities collaborate on restoration efforts and will result in invasive plant removal and native plantings in Weatherill Nature Preserve and Morningside Park (photo right). Morningside Park is a 7.8 acre park located in the Town of Yarrow Point and along the shores of Lake Washington. The goal for the project is to work in zones with high invasive coverage and low native plant diversity. With the help of the Friends of the Cedar River Watershed and dedicated volunteers, the Towns fostered community-supported invasive plant removal to reestablish native habitat areas.

# Landowner Incentive Program

Cost-Share Awards for Projects on Private Property

KCD offers financial support to land managers who install projects that promote pre-approved conservation practices. Expenses are matched with LIP cost-share funding at a ratio of 50 to 90 percent of the total cost for specific projects. For more information visit [kingcd.org](http://kingcd.org) or contact [Laura.Redmond@kingcd.org](mailto:Laura.Redmond@kingcd.org) or call 425-282-1951.

# Conservation Crew Services

Available to Member Jurisdictions

Does your city need stewardship assistance for its natural areas? Do those cleared areas need to be planted with native plants? Services provided include: removal of invasive species (knotweed, ivy, holly, laurel, blackberry and more), brush-mowing, herbicide application, and survival rings. Landscaping with native plants includes: creation of city-approved planting plans, installation, Maintenance, and irrigation. Contact KCD to see how our crew can help.
