

Funding Invested in the City of Kenmore

GRANT AWARDS KCD awards grants to local governments, nonprofit organizations, tribes, and other agencies to improve natural resources and increase regional conservation. KCD funds for projects listed below were collected from an annual, per-parcel assessment or rate and charge for projects in partnership with Member Jurisdictions and/or the three watershed forums. These monies support high-impact projects in both urban and rural areas and often leverage funding from state, federal, and other sources. For more information on these projects or about the grant programs, please contact Jessica.Saavedra@kingcd.org or call 425-773-9065.

SERVICES In addition to conservation services and cost share awards listed, KCD also provides services to cities and residents in shoreline restoration, community agriculture and urban forestry. www.kingcd.org

Conservation Crew Services

Available to Member Jurisdictions

Does your city need stewardship assistance for its natural areas? Do those cleared areas need to be planted with native plants? Services provided include: removal of invasive species (knotweed, ivy, holly, laurel, blackberry and more), brush-mowing, herbicide application, and survival rings. Landscaping with native plants includes: creation of city-approved planting plans, installation, Maintenance, and irrigation. Contact KCD to see how our crew can help. Contact Brett.Anderson@kingcd.org or call 425-282-1953/425-773-8037.

In 2013, KCD led volunteers in planting native plants on private property in Kenmore along a tributary of Swamp Creek. KCD's crew removed invasive weeds prior to the volunteer event and continued to perform maintenance and monitoring for three years. The cost for this project was \$5,138.26. *KCD-Kenmore Member Jurisdiction funds were not used for this project.*
