## 2022 BOARD OF SUPERVISORS ELECTION

**King Conservation District** is a special purpose district, funded by you, with a mission to promote the sustainable use of natural resources through responsible stewardship in King County.

The all-volunteer board oversees programs that improve local food, healthy forests, and clean water for over 2.2 million people in King County.

Your vote impacts how King Conservation District partners with farmers, urban residents, rural land stewards, volunteers, community-based organizations, and local governments to restore tree canopy, expand wildlife habitat and grow our regional food system.

**Native Plant Sale**

## VOTING ISN'T THE ONLY WAY TO GET INVOLVED!

King Conservation District hosts native plant sales, educational workshops, and volunteer events like Orca Recovery Day.

We provide technical assistance to private residents in forest management, farm conservation planning, wildfire preparedness, and streamside and marine shoreline enhancement.

We also work with cities and other organizations to support community gardens, urban forest canopy, and local food systems.
