Your vote helps shape clean water, healthy forest, and local food programs in King County.
King Conservation District is a special purpose district, funded by you, with a mission to promote the sustainable use of natural resources through responsible stewardship in King County.

The all-volunteer board oversees programs that improve local food, healthy forests, and clean water for over 2.2 million people in King County.

Your vote impacts how King Conservation District partners with farmers, urban residents, rural land stewards, volunteers, community-based organizations, and local governments to restore tree canopy, expand wildlife habitat and grow our regional food system.
